Re: ***“The Washington Court of Appeals: Fair and Equal Election Rights Violated, An Opportunity for Judicial Improvement”***

Dear Judge Bridgewater:

I wrote to you on December 29, 2008 about an article I have written concerning the election of judges to the Washington Court of Appeals. The article and its appendices may be found at

<http://www.eugsterlaw.com/washington-court-of-appeals/>

I respectfully asked that you review the article and correspond with me about it. I said:

If I am wrong in my assertions and concerns, I would like to know. Thus, I ask that the Court of Appeals review my article and consider my article. If I am wrong regarding any of my assertions I would like to know and would like to know why.

If I am not wrong, it seems to me that the Court of Appeals should play a role in securing legislative action to correct the problems during the upcoming session of the Washington Legislature.

Hon. C. C. Bridgewater
Presiding Judge, Washington Court of Appeals

Once again I ask that you respond to my letter.

I look forward to hearing from you.

Respectfully,

/s/

Stephen K. Eugster
